Description

Removable tray for DVR / NVR safe, for 05VR-120 and 05VR-120E.

This tray can accommodate a DVR up to 1.5U / 2U rack inside a safe for easy access to both when installing to carry out to perform maintenance.

It is compatible with safes 05VR-120 and 05VR-120E.

The tray is fitted with a strong and durable telescope extraction system by allowing bearing sides moving the DVR outside the box and if necessary, completely removing the tray by a simple lever on the guide.

Resistant vandal proof quality housing equipped with vents that allow a proper cooling to installed DVR.

Scope of Delivery

Tray VR-010
Screws for installation
User manual
